

Year 4 learning from home

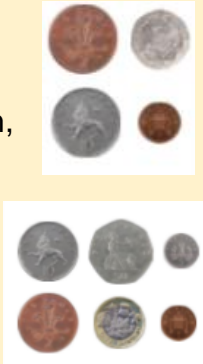

Dear parents/carers,

These activities are designed to keep children busy and enjoying learning, while providing flexibility for parents.

We realise that the family will need to share laptops or mobiles so only plan to do what you can. Everyone's homes are different so the activities we suggest are just a guide to help. We recognise that parents may be working, caring for sick family members or looking after little ones so choosing activities is up to you. We do not expect parents to be teachers and we are not going to be checking up to see how much work has been done!

The activities guide you and your child to be able to learn together or on their own.

	Morning		Afternoon
<p>6 April – 12 April 2020</p>	<p>Every morning Activities</p> <ul style="list-style-type: none"> • There are 2 activities suggested for the start of every day. • The 2 activities are the same every day for this week • Practising and repeating daily, helps with routines and helps you to remember learning. 	<p>Activity of the Day</p> <ul style="list-style-type: none"> • There is 1 daily activity suggested. • The daily activity is different every day. 	<p>Activities</p> <ul style="list-style-type: none"> • Choose activities from the suggestions below.
<p>Monday</p>	<p>Warm Up</p> <ul style="list-style-type: none"> • Daily half-hour PE/fitness session with Joe Wicks. Live at 9 am every day but can be watched at any time. Click here 	<p>Science Activity</p> <p>What is your favourite animal? Think about all the animals you know. What is your favourite animal? Write a detailed fact file about the animal and include images. Remember to use a title, subheadings and topic vocabulary. In your fact file include: where it is native to, preferred habitat, diet, life span and some interesting facts. The National Geographic website below may give you some ideas!
