

Year 4 learning from home

Dear parents/carers,

These activities are designed to keep children busy and enjoying learning, while providing flexibility for parents.

We realise that the family will need to share laptops or mobiles so only plan to do what you can. Everyone's homes are different so the activities we suggest are just a guide to help. We recognise that parents may be working, caring for sick family members or looking after little ones so choosing activities is up to you. We do not expect parents to be teachers and we are not going to be checking up to see how much work has been done!

The activities guide you and your child to be able to learn together or on their own.

Thursday

Use these Steps to Success to help you. Remember to ...

- Look at the word.
- Say the word.
- Cover the word
- Write the word.
- Check the word.

At the end of the week, ask a family member to test you, or give yourself a test.

If you are not sure what the words below mean, [click here to use an online dictionary](#) to find the definitions.

Once you have learned the words, write 10 sentences using at least 1 of the spelling words in each sentence. Remember to use capital letters and the correct punctuation.

Wednesday Activity - Science Odd One Out

Look at the images above. Come up with as many similarities and differences as you can. Think about:

- appearance
- what they do
- where they might be found

Then decide which one you think is the odd one out and why. There is no right or wrong answer.

Thursday Activity – Handwriting

Copy out the rhyme below. Focus on your joins and letter sizes.

Thirty days has September,
April, June and November.
All the rest have thirty-one,
Except February alone,
Which has twenty-eight days
clear,
And twenty-nine in each leap
year.
