

08.11.18

Year 4

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night. By the end of year 4, you should know all 12 x tables and division facts. Complete your maths worksheet.
3. Practise your spellings.
4. If you can, play Mathletics and Hit the Button for 10 minutes each night.

Spellings:

| | | | |
|-----------|-------|---------|-----------|
| early | heart | circle | often |
| disappear | heard | through | therefore |
| increase | reign | though | guide |

Geography:

Write an information leaflet about any country in Europe as a poster to go on the learning wall in the classroom.

Make sure you include:

The countries flag

The capital city

Its location (for example on a map)

What other countries can be found near it

Key facts about the country such as its population and languages spoken

Homework due: 13.11.18
