Dear parents and carers

We have finally reached the end of term and I am writing to say a huge thank you all for your support in this challenging year. My staff have all been incredible and I want to say a massive thank you to them for their dedication to the school and to the children. Despite the school closures and the periods of self-isolation, the children have achieved so well this term.

Camden have advised schools to wait until the end of the summer holiday to carry out a risk assessment. We will send you a copy of our updated risk assessment at the end of August. This will tell you what restrictions we will need to keep in place to reduce the transmission in the school of Covid-19. Based on our risk assessment, we will be able to decide, for example, whether we need to keep in place a staggered start and end to the day and whether we can run after school clubs.

The DfE have asked schools to continue to contact trace until Wednesday 28 July. If your child at Kingsgate tests positive using a PCR test before midnight on Tuesday 27 July, please let us know via the school website.

If you still need to buy school uniform, you can order and pay online via our website. The office staff will process orders on 1st September.

I hope that you have a good summer break. Once more, we are so lucky to have parents and carers who are so appreciative of the work we do. Above all, we appreciate so much that you send your children to our school. We will always do our absolute best to give them the best education possible.

Warmest wishes

Liz Hayward
