**PSHE Homework:**

This week in PSHE, we were learning about fire safety. We learnt about:

- Our escape route, how to check if a door is hot, how to avoid smoke, and how to call for help.
- How fires happen and to prevent them
- The different types of smoke alarms and heat alarms and the importance of regular testing.

For your homework this week, we would like you to complete the fire safety activity pack. Remember to carefully read all of the information.
