

23.05.24

Year 4

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night and complete your maths worksheet.
3. Practise your spellings.
4. If you can, play Times Table Rock Stars, and Hit the Button for about 10 minutes each night.

Science

Draw and label your own diagram of a circuit.

Remember to use a symbol to represent the different components.

Remember to include:

- Battery
- Bulb
- Motor
- Buzzer
- Wires
- Switch

Homework due: 04.06.24
