

**21.11.24**

**Year 5**

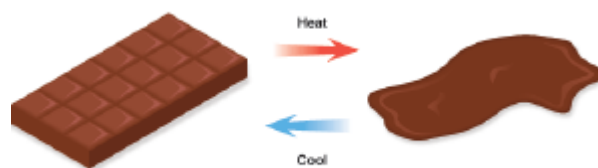

Read your reading book for 30 minutes each night.  
Practise your times tables for 10 minutes each night  
and complete your maths worksheet.

If you can, play Timestable Rockstars for about 10  
minutes each night.

**Science:**

In science, we have been learning about reversible  
and irreversible changes.

Draw a table, listing at least 6 items (they can all be  
food items), explain whether melting or cooking  
them is a reversible or irreversible change. Explain  
why they are reversible or irreversible.

**Homework is due on: 26.11.24**
