

24.04.25

Year 5

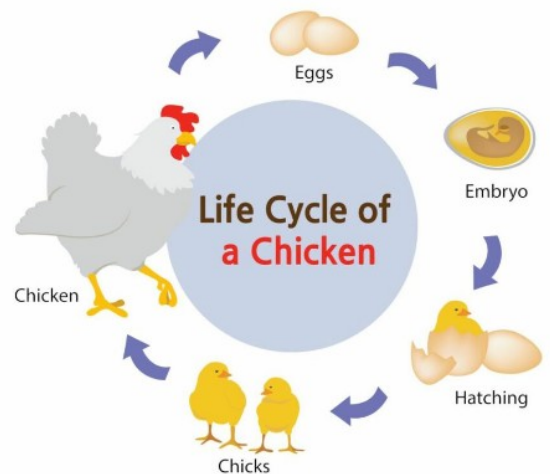

1. Read your reading book for 30 minutes each night.
2. Practise your times tables for 10 minutes each night and complete your maths worksheet.
3. Practise your spellings.
4. If you can, play Times Table Rock Stars for about 10 minutes each night.

Science:

This term, we are learning about the life cycle of living things.

Draw the life cycle of a chick and another animal of your choice. Make sure your diagrams are clearly labelled.

Find key similarities and differences between your selected life cycles. Make sure to include some key facts.

Homework is due on: 29.04.25
