

12.03.26

Year 3

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night. By the end of Year 3 you need to know your 3, 4 and 8 times tables and division facts.
3. Practise your spellings.
4. If you can, play Hit the button and Times Table Rock Stars for 10 minutes each night.

History:

We have been learning all about the Bronze and Iron Ages.

Draw a t-grid with at least 3 artefacts that archaeologists found and record what inferences you can make about what life was like in that period of time.

For example:

Artefact	Inference
Iron Wheel	People used a horse and cart to farm and transport goods

Homework due: 17.03.26
