

01.10.26

Year 5

1. Read your reading book for 30 minutes each night.
2. Practise your times tables for 10 minutes each night and complete your maths worksheet.
3. Practise your spellings.
4. If you can, play Times Tables Rock Stars and Hit the Button for 10 minutes each night.

Science:

We have been learning about properties and changes of materials. Recently, we conducted an experiment to see which materials would dissolve.

Make a poster explaining what dissolving is and show examples of materials that dissolve (soluble) and those that do not (insoluble). Use key words that you have learnt: sediment, dissolve, soluble, insoluble, solution.

Homework is due on: 06.10.26

Soluble liquid

Insoluble liquid
