Kingsgate Primary School Newsletter

Friday 03 May 2024

Dear parents and carers,

We have had a very successful start to the summer term. The children are already making fantastic progress. Please continue to show your support by not taking your child out of school during term time. Children with good attendance are more likely to make good progress. Wishing all of you an enjoyable bank holiday weekend.

Meg,
Headteacher

Congratulations to our Year 3 and 4 boys' & girls' football teams. Both teams played amazingly in the group stages of the Camden Schools Competition and earned a spot in next week's finals. We are so proud of their focus, determination and teamwork. Thank you to Coach Hassan and the year 6 assistant coaches, for their hard work in preparing the teams. Finally a big thank you to the parents and carers for their support!

Animals in the playground!

The children in EYFS and Y1 were so excited to meet the animals from a visiting farm, as part of their science curriculum. They handled the animals carefully and asked lots of questions.

Children tell us that they really enjoy hands on activities in science. Pupils in year 5 were delighted to welcome some chicks to their classes. As part of the science curriculum the children study life cycles. They observe the chicks as they hatch and their early development.
