

Reception News

Our topic is

Under the Sea

This week in Reception

This week we have been using a range of materials to make different living things that we would find in the sea. We have also been using resources to make different numbers.

Phonics

Click on the picture to learn how to help with sound blending at home.

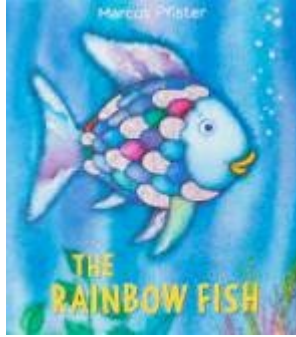

Next week in Reception

Literacy

We will continue to write our own version of the story called 'The Rainbow Bird.'

Word Aware

We will learn the meaning of the words:

whole beak

predict

blossom resistant

Understanding of the World

We will be learning about Japan and making sushi!

Maths

We will be building tower blocks and the comparing which towers have more or less.

Expressive Arts and Design

We will be creating paintings with the theme of spring.

Songs, Rhymes and Poems

One little, two little, three little sailboats
Four little, five little, six little sailboats
Seven little, eight little, nine little sailboats
Ten little sailboats

Great job, guys
Now let's count them backwards
(Yo ho-ho!)

Ten little, nine little, eight little sailboats
Seven little, six little, five little sailboats
Four little, three little, two little sailboats
One little sailboat

Messages

Please could you bring in any recyclable materials you have at home.
