

Reception News

Our topic is

Caring for our planet

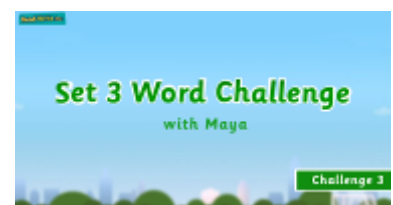

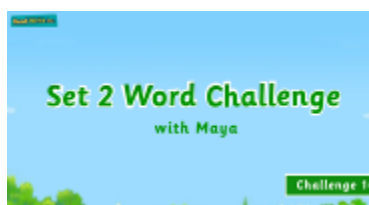

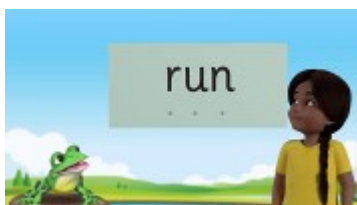

This week in Reception

This week we have been practising our counting and solving number problems with numbers up to 20. We had great fun making our own paper using old paper from our classrooms.

Phonics

Click on the pictures to practise your sounds and word reading at home.

Activities to do during the summer break

Songs, Rhymes and Poems

Sing nursery rhymes with your child and make up actions together.

Click on the picture below to find out about the benefits of singing nursery rhymes with your child.

Word Aware

Teach your child one new word each day. Click on the picture to watch a video about how to help your child learn new words.

Help your child learn new words

Maths

Count with your child to at least 20 and back.

Read numbers in the environment. This will help your child to recognise numbers.

Look for shapes in the environment. Make pictures using 2D shapes.

Talk about the different times of the day and your daily routine.

Literacy

Visit your local library and give your child time to explore books.

Read daily to your child.

Encourage your child to write a diary. They can write sentences about what they do each day and draw pictures.

My Holiday Diary

Messages

The children finish on **Tuesday 22nd July** at **1.30pm**.

The children return to school on **Wednesday 3rd September** at **8.50am** ready to start at **9am**.
