

Nursery News

Our topic is

Witches

This week in Nursery

This week we cut vegetables and made pumpkin soup. We were also using the skills we have been learning in PE to aim and throw bean bags at a target.

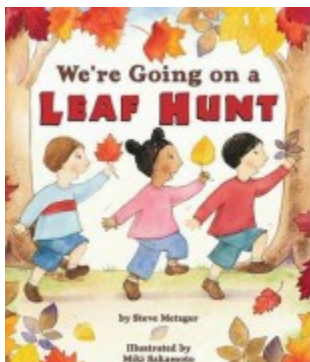

After half term in Nursery

Literacy

We will read the book 'We are going on a leaf hunt'.

Maths

We will learn about 2D shapes and we will be going on a shape hunt.

Expressive Arts and Design

We will be printing and painting with natural objects.

Understanding of the World

We will be looking at the colour of leaves and going on a hunt looking for different leaves.

Messages

We will be starting daily toothbrushing after lunchtime.

Here are some tips for toothbrushing at home:

- Brush at least twice daily for about 2 minutes with fluoride toothpaste.
- Brush last thing at night before bed and at least on 1 other occasion.
- Encourage your child to brush their own teeth while supervising them.
- Use only a pea-sized amount of toothpaste.

Spit out after brushing and don't rinse – if you rinse, the fluoride won't work as well.

Here are 5 games you can play with your child to build their language skills. Click on the picture below to watch the video.

Songs, Rhymes and Poems

We will be learning the song 'All my Love'.

All my love is bubbling over.

Sing nursery rhymes with your child daily and make up actions. Click on the picture to listen to some nursery rhymes.
