

Reception News

Our topic is

Cold Places

This week in Reception

This week we were learning about cold places and we have been making our own collage pictures of Polar Bears. We were also learning about different ways to make the number 9. We threw 9 beanbags and counted how many we got into the hoop and how many were left over. We added the numbers together to make 9.

Phonics

Click on the picture to help Fred and Zain read the words.
Special friends, Fred talk and read the word.

Set 2 Word Challenge

with Maya

Challenge 6

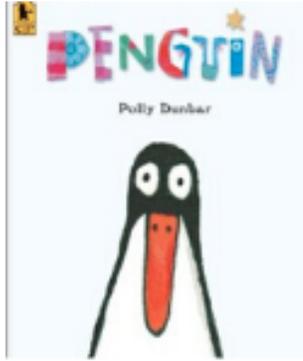

Click on the picture to complete the word challenge with Maya.
Special friends, Fred talk and read the word.

Next week in Reception

Literacy

We will read the book 'Penguin' and write in speech bubbles to show what the penguin is saying in different parts of the story.

Word Aware

We will learn the meaning of these words:

backwards

dizzy

ignore

recycle

reduce

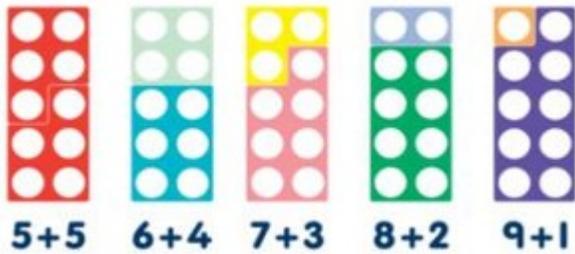

Understanding of the World

We will be planting wildflowers and learning that plants need water to grow.

Maths

We will learn about the number 10. We will be learning which two numbers make 10.

5+5

6+4

7+3

8+2

9+1

Click on the picture to learn the song '1, 2, 3, 4, 5, Once I Caught a Fish Alive.'

Expressive Arts and Design

We will learn about the artist Jean-Michel Basquiat who used recycled materials in his art work. We will create our own polar bear pictures in this style

Songs, Rhymes and Poems

We will be learning the song '10 Green Bottles.' Click on the picture to listen to the song.

Ten green bottles hanging on the wall,
Ten green bottles hanging on the wall,
And if one green bottle should accidentally fall,
There'll be nine green bottles hanging on the wall.

Messages

If you are able to make it, we would love for you to join us for the parent science workshops taking place on:

Friday 13th March from 2.30-3pm

If you have any questions please ask the class teacher.
