

Reception News

Our topic is

Starting School

This week in Reception

This week in maths we have been learning to sort objects in different ways and find the odd one out. In literacy, we have been reading owl babies and have enjoyed acting out the story. We have had fun playing with our friends and getting to know each other better.

Phonics

This week we have been learning the sounds t, i, n, p and g. The children will bring home handwriting sheets every Friday. Please help your child to write each letter.

Click on each letter to watch the video.

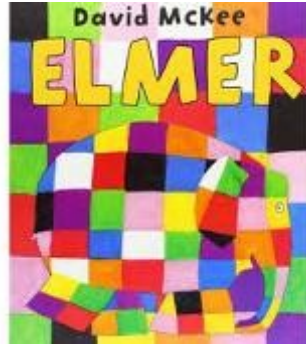

Next week in Reception

Literacy

We will be reading the story 'Elmer' and taking time to talk about what makes each of our families so special.

Word Aware

We will learn the meaning of these words:

before

herd

patchwork

different

lift

Maths

We will be learning to compare size. We will be using the vocabulary: big, large, small, little, bigger and smaller.

Expressive Arts and Design

We will be drawing pictures of our family.

PSED

We will continue to learn how to be a super listener, focusing on the rule 'take turns to talk'. This means we will practise staying quiet while others speak and put our thumbs up when we have something to share.

I'm a Super Listener!

Messages

Please make sure your child's uniform and belongings are labelled clearly with their full name. This will help us to return lost items.

Please put a spare set of clothes in your child's bag.

PE will be every **Thursday**.

Please make sure your child comes to school in their **school uniform**. Children will change into their PE kit just before the PE lesson. It is important that children have the opportunity to practise changing to develop their independence.

Just a reminder that we are a nut free school so please make sure if you provide your child with a packed lunch there is no food which contains nuts.

Songs, Rhymes and Poems

We will be learning the goodbye song.
Click on the picture to listen to the song.
