Sport Premium Funding 2024-25

Overview

All primary schools across the country have been provided with extra funding from the Department for Education, Health and Culture, Media and Sport. The purpose of the funding is to achieve clear outcomes in raising achievement and increasing opportunities for all primary aged children in PE.

For the academic year 2024-2025 we received: £11,800 (Sept-March). April – August NYA

This funding was only spent on PE and sports related provision in the school.

At Kingsgate Primary School we recognise the importance that PE and sports play in the lives of children in promoting healthy lifestyles and developing them physically, emotionally and mentally. We believe that children's self-esteem, attitude and self-discipline are improved by being able to engage in and achieve success in sporting activities. Being an inner-city school where the majority of pupils do not have easy access to outdoor play space, we understand the importance of our pupils being able to participate in regular physical activity and sport.

We are committed to ensuring that all pupils receive well planned, high quality PE each week which is provided by a highly experienced sports coaches. Our Primary School Sport's Funding will contribute to helping us achieve our aims across the five Primary PE & Sport Premium Key Outcome Indicators.

Kingsgate has been awarded a Distinction in the [afPE Quality Mark](#) for our dedication to Physical Education, School Sport and Physical Activity.
